WHOLESALE TRADE LIST

of

Shrewsbury Nurseries

EATONTOWN
NEW JERSEY

Index.

	PAGES
Deciduous Trees -----	3 to 9
Deciduous Shrubs -----	9 to 15
Evergreen Trees -----	15 to 24
Broad-Leaved Evergreens -----	24 to 25

Terms and Conditions.

CUSTOMERS are requested to state mode of shipping, express or freight, and by what route. When none is given, we exercise our judgement, but in no case do we assume responsibility after goods are shipped.

All claims for errors or deficiencies must be made immediately upon receipt of the goods. In case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods. Claims will not be considered unless made within ten days from the date of delivery.

TERMS: Cash with order from unknown parties or satisfactory references. Two per cent (2%) discount allowed for cash within ten days from date of invoice. Spring accounts due net June 1st, Fall accounts due net December 1st. Interest at rate of 6% per annum charged on all accounts past due.

Five hundred will be furnished at the thousand rate: fifty at the hundred rate, and five at ten rate.

The prices quoted are for our selection, and are in all instances F. O. B. our Nurseries. Where stock is selected by customers, it will be charged for in accordance with its value.

Shipment in bulk will be packed at no charge. Where packing is done in boxes or bales a charge will be made to cover the cost of material used.

A certificate of inspection from the State Entomologist will accompany each shipment.

The Spring shipping season usually begins here about March 15th and the Fall season for Evergreens, August 15th. Deciduous stock October 15th.

Eatontown is on route No. 4 of the New Jersey State Highways, and about forty miles from New York on the Southern Division of the C. R. R. of N. J.

LET'S COOPERATE

During the past year your business as well as ours has been cut into by the unscrupulous methods adopted by some Nurseries who were caught overloaded with cheap stock grown in quantity for quick sale. Plants were peddled to your customers from door to door at considerably less than you would be quoted F. O. B. Nursery. Roadstands were supplied with large shipments on consignment, positively eliminating you from all competition.

These unethical methods were responsible to a large extent for the falling off of business which you experienced last year, and if you are fair to yourself should have some bearing on where your 1932 business is placed.

Ornamental trees and shrubs either deciduous or evergreen are of a highly perishable nature, keenly sensitive to abuse, and we still believe the growing of them to be a scientific profession inspite of the degrading practices to which it has been subjected, and shall continue to maintain the standards to which we have adhered for many years.

This List does not go into the hands of any whom we have not first proven to be entitled to receive same.

Our prices have been revised to conform with the present day conditions, and we invite special cash offers where stock is required in quantity.

SHREWSBURY NURSERIES.

Deciduous Trees.

Only those trees which conform to the highest recognized standards are included in this list. We do not inventory stock which cannot be used by the most discriminating buyer.

For large specimen trees for immediate landscape effects, ask for special quotation.

Deciduous Shrubs

Our shrubs are grown in 4 ft. rows, 2 ft. apart in the row, cutback one year after transplanting, the result being strong, healthy specimens which cannot be excelled.

All orders are hand dug immediately prior to shipping, each order being filled with carefully selected stock, and we insist on good roots.

Evergreen Trees

When you place an order for our Evergreens, you may rest confident that you are getting the very best that can be grown, carefully selected from stock which is not offered to your customers or to your competitors at prices with which you cannot compete.

Our Evergreens are frequently transplanted and prices quoted include digging with ball and burlapping.

ABIES concolor (White Fir).	Each	10
1½ to 2 ft.-----	\$ 3.00	25.00
